

About DEOL Partners

DEOL Partners - is one of the leading companies in Ukrainian real estate market. Company's main activities are investment management, development of the commercial real estate and property management.

Partners of the company are actively working in Ukraine since 1992. DEOL Partners –was one of the first Ukrainian companies accredited according to the international standards of the real estate investment management and became Certified Commercial Investment Member (CCIM).

Company worked at the following investment and development projects:

- Serviced apartments chain Senator Apartments;
- World class hotel - 11 Mirrors Design Hotel (first design hotel in the CIS countries);
- Business center Leonardo (first “A” class business center in Ukraine. Sales deal of the business center in 2006 is still the biggest investment deal on the Ukrainian real estate market);
- Multifunctional complex Kiev Airport City (long-term development project in Borispil Airport. 1st development phase includes construction of two hotels (230 and 260 rooms), operational management agreement signed with international hotel chain);
- Super regional shopping center Mall of Ukraine (DEOL Partners as a developer conducted all necessary works for beginning of the construction (concept, architecture, construction permits); more than 60% of preliminary rent agreements with the anchor tenants signed. Investor decided to suspend project's realization.);
- Closed VIP-level Senator Lifestyle Club (Club started its history since 2007. DEOL Partners as developer and operator managed to launch the format of the club system similar to American or British but in Ukraine);
- Development of the bank branches (DEOL Partners is a developer of the range of banking branches of “PromInvestBank” including rebranding of the retail chain and beginning of the difficult reconstruction and rebranding works of the main office on Sofievskaya street in Kyiv).

Number of employees in DEOL Partners management company - 56 people. Number of employees involved in all projects – over 300 people.

DEOL Partners proved to be a reliable partner and a company with a deep knowledge of the local market and its specifics while using best international standards of realizing projects in the short terms.
